### Spring Meet Slated By

## Volunteer Guild

Spring meeting of the Peninsula Needlework Guild will be held the morning of May 16 in the Toberman Settlement House in San Pedro. Beginning at 10 o'clock, it will feature displays of garments, layettes, bedding, quilts, etc., either made by sewing groups or bought with funds raised in a variety of ways. Mrs. Frances Hines, who fills two offices in the organization, membership chairman and head of the Junior Auxiliary, is in charge of arrangements for the displays.

The Peninsula Volunteers membership numbers more than a thousand. Organized on an area basis, each section is under the supervision of a section president. The activities of the various neighborhood groups are planned by the members themselves and include many ways of producing the thousands of garments donated each year to thirteen agencies.

At the meeting, the section presidents will be called on by the president of the Peninsula Volunteers, Mrs. Walter R. Clark, to report on the current and planned activities of their groups. This will be an exchange of ideas and a source of inspiration to the members.

Featured speaker at the meeting will be Miss Peggy Ferguson, supervisor of the Visiting Nurses Association, who will tell of the work of her organization and something of how the donations of the Needlework Guild are used. So appreciative is her association of the help of the Guild that they have organized their own section and contribute cash to swell the funds of this "charity that helps all charities."
